HELPFUL INFORMATION

- If you have questions or would like to place an order over the phone, OTC Advocates are available Monday – Friday from 8:00am to 8:00pm EST at 1-855-422-0039 (TTY: 711).
- Your benefit amount is \$45 every three months. The benefit amount may accumulate from quarter to quarter for a total yearly benefit of \$180. You pay \$0 copay for covered OTC items, medications and products up to the available benefit limit each quarter.
- If you place your order using an order form, your order total will be applied to the quarter in which we receive your form. For example, if you mail your order form on June 29th, but we receive it on July 1st, your order total will be applied to your July (or third quarter) benefit, not your June (or second quarter) benefit.
- **If you're getting close to the end of the quarter and you do not think your order form will be received in time, you can call in your order.**
- We encourage you to use your full quarterly benefit amount in one order.
- Cash, checks or money orders are not accepted under this OTC benefit.
- Orders may only be placed by the member, an authorized representative verbally approved by the member at time of the order, and/or the member's power of attorney representative on file.
- To use your benefit, you must select products from this catalog that will help you with a health or medical need. Your order total may not exceed your benefit amount.
